LUDOWICI®
COMMUNITY FOUNDATION

MISSION

To better serve the youth of Southeast Ohio by emphasizing physical fitness, environmental awareness, as well as civic responsibility.

VISION

A healthier and happier community through the power of nature, sport, family, and service.

OBJECTIVES

Fitness

We believe that regular exercise in nature will improve children's physical and mental health. By installing our hiking trails and baseball fields, we hope to create a safe space for outdoor activity for the children in our community.

Education

We are committed to establishing an educational program to be used local school districts to teach the appropriate age groups about Wooded Wetland and pond areas and other environmental issues.

Civic Responsibility

Civic Responsibility aspect of the project will be represented by the managing, maintaining and marketing of the entire facility which includes the athletic fields, fitness trails and the shelter house.

ANNUAL FOUNDER'S DAY EVENT

Each year the Ludowici Community Foundation hosts a Founder's Day event where we invite the community to join us in a day of outside fun. We established the Foundation to better serve the youth of Southeast Ohio by opening our splash pad each summer, baseball and softball field additions, a pond for fishing and many running/walking paths throughout the acreage. The most recent community days served over 1500 Community members. Through sponsorships and donations, we provide many activities: free food, prizes ,games, inflatables, and activities for all ages.
