

SPANISH 18 ³/₈" BARREL TILE

One of the most popular profiles in Ludowici's Legacy Collection, Spanish tile is prized for its simple, one-piece barrel design which provides a pattern of distinctive ripples across a roof. Often synonymous with clay roof tile, Spanish tile enhances virtually any style of architecture from small bungalows to large public institutions. Spanish tiles have a smooth surface but may be customized with a number of custom textures. Our Spanish tiles are available in all standard and custom colors, mists and blends offered by Ludowici. See the *Colors of Ludowici* brochure for more information about our extensive color program. For a more authentic old European look, consider Spanish 13 ¹/₄" tile, or for a higher profile and more dramatic appearance, consider one of Ludowici's Mission tiles.
