

TERRA COTTA TEXTURES

At Ludowici, our skilled craftsman can recreate a number of finishes that authentically replicate the surface of age-old tiles. Custom textures can be applied to match historic applications or to meet your specific design aesthetic. Textures reduce glare reflecting off the tile and allow the true color to show through. Many tile textures are applied by hand which allows each tile to have a unique, handmade look.

Not every texture is available on every tile profile. Please see your sales representative for more details.

Photos are for representation purposes only and should not be used for final product selection. Tiles ordered should be chosen from actual samples available at the time of order. Ludowici reserves the right to alter and adjust products, colors and finishes at any time. Please contact a sales representative for more information.

TERRA COTTA TEXTURES

LUDOWICI®

Terra cotta's inherent natural qualities are only enhanced by adding surface texture. From aged stone to weathered wood to quarried slate to hand-slushed Mission, Ludowici will work with you to replicate your desired finish and deliver a durable roof that will last for centuries. Ludowici experts can also recommend color blends that will work with the desired finish to enhance the look of the final roof. Learn more today at Ludowici.com.
