

WILLIAMSBURG 16" INTERLOCKING TILE

LUDOWICI®

Ludowici's Williamsburg 16" interlocking tile has a scored sawn wood shake texture and a square butt giving it the same texture and character of wood shakes. Williamsburg 16" terra cotta roof tiles have a permanent non-fading finish and will never rot or curl. And unlike wood, rubber or plastic shakes, Williamsburg tiles are Class A fire resistant, easy to install, maintenance-free and have fewer pieces per square than most alternatives. They are Grade 1 ASTM tile and carry Ludowici's 75-year material warranty, so year after year you can enjoy the beauty of a shake-look roof in even the harshest climates. Williamsburg tiles are also available in a smaller 14" profile.
