

TAPERED BARREL MISSION 14 1/4" TILE

LUDOWICI®

A mission barrel system comprised of small tapered mission caps and straight barrel pans with a smooth surface, Ludowici's short tight tapered barrel tiles create an authentic old European look. Greater pieces per square allow for enhanced color distribution when installing a color blended roof pattern. Tapered barrel Mission tiles are available in all standard and custom colors, mists and blends offered by Ludowici. See the *Colors of Ludowici* brochure for more information about our extensive color program.
