## The Old World Collection

If you are seeking old-world charm in a terra cotta roof that's modestly priced, you'll love Ludowici's unique Old World Collection. This special collection includes larger dimension barrel tiles and other tile profiles made popular long ago in Europe and Mexico, and treated to look centuries old. Manufactured by Terreal and exclusive partners, the clay tiles come in a range of profiles, colors and sizes and are available through Ludowici.

# LANGUEDOCIENNE

Prominent in the architecture across the Mediterranean and the south of France, the Languedocienne mission barrel system features generously curved terra cotta tiles comprised of tapered mission caps and pans with a smooth surface. The long length tile results in fewer pieces per square, creating one of the most economical roof tile systems on the market. Available in 5 standard finishes and 5 special order finishes, Languedocienne is the perfect roof tile for restoration and new construction projects alike. Languedocienne is manufactured in France by TERREAL and is sold exclusively by Ludowici in North America.
